2000–2007

Greenpeace UK, London

Climate and Energy Campaigner
(including the year 2004–5 at

Greenpeace Argentina, Buenos Aires)

Responsible for planning and running high profile campaigns on renewable energy, energy efficiency and climate change. I managed projects, organised direct actions and events, undertook political lobbying, created communications strategies, wrote reports and acted as a media spokesperson. I often briefed and worked with freelance designers and design agencies to create campaign communication materials and publications.
